IF SOMETHING  
HAPPENED  
TO YOU,  
WHO WOULD  
GET YOUR  
MOST PRIZED  
POSSESSIONS?

YOUR FAMILY  
OR FRIENDS...

...OR SOMEONE  
ELSE?

MAKING A WILL  
IS NOT JUST ABOUT  
WHAT HAPPENS  
TO YOUR MONEY

IT'S ABOUT WHAT  
HAPPENS TO  
YOUR FAMILY!

---

Do not assume everything will go to your wife or husband. Your children, brothers, sisters and even in-laws may inherit part of the estate.

If you are not married, but have children with a partner, your partner may get nothing.

If you're separated, your separated spouse could inherit part of your property.

What will happen to your children? A court will appoint guardians and decide who will bring up your children.

Pretty scary stuff and it's so easy to put right.

Contact Legacy Will Writers today – making arrangements to have your will written could not be easier. We will arrange to meet you in the comfort of your own home at a time convenient to you.

IN THE COMFORT  
OF YOUR OWN HOME  
TAKES LESS THAN

In less than a week, we will present you with a draft document for you to read, check and confirm all the details. Once you have approved any amendments required to the draft, we will draw up the final document, supplying instructions for witnesses and signatories, we can even arrange the witnesses for you.
